Subject: Request to 4 Days VL

Good morning, sir,

I would like to request for 4 days VL this coming end of May. My sister is treating my whole family for a 4 days trip to Hongkong . It was supposed to be last quarter OF2023 but since I had to go to Manila for this project it was postponed. We still don't have the exact date yet either but most likely it will be 27 to 30. We are still waiting for the confirmation of my sons Graduation Ball date. This will be our family first trip together abroad.

I will be doing OT on weekends to catchup on my task for those days.

Best regards,
